1 Consider Other Deductibles

Savings can be up to several hundred dollars per year. We provide multiple deductible options with your quote. Ask me why most of our homeowners carry a \$2,500 deductible.

By bundling your home & auto, you may qualify for additional discounts that could save you an estimate of 15-30%.

3 Sprinkler Systems

Some of our insurance companies offer up to a 5% discount for high-quality, residential sprinkler systems.

4 Fire & Security Alarms

Homeowners can save up to 10% on their policy by having a central monitored fire & burglary alarm system. This could add up to \$160 annually based on average premium costs.
